

TERM ONE OPENING

CLASS ROOM

Dear parent/ guardians,

Special greetings from Gallant Junior School. I am thrilled to inform you that the new term is progressing very well.

Our new learners are now used to the school environment and its routines.

The new development to let you know is that our lower primary started this term and learners are progressing well. We managed to procure computers for Primary learners to enable them have computer lessons.

I express a remarkable gratitude to the gallant staff and parents for their tireless effort in supporting our learners.

Let us not tire in nurturing children for generations by providing a conducive environment for academic excellence and social responsibility.

Best regards
Jane Ahimbisibwe Ombigo
Principal GJS.

In Gallant, we have dedicated, devoted and loving teachers.

Our educational philosophy is to create a learning environment that is fun and exciting.

Our goal is to go far beyond teaching aiming at inspiring our children to want to learn more about themselves and the world around them.
Message from Teacher Marion(Primary section)

Hands-on Learning: Unlocking Young Minds

Research shows that children learn best through practical experiences.

At our Nursery, we embrace this approach, encouraging youngsters to explore and discover through touch, imitation, and role-playing.

By engaging their scenes, children develop cognitive skills, creativity, and social abilities.

This hands-on method makes learning fun and interactive, sparking curiosity and enthusiasm. As Teachers, we witness the magic of practical learning, watching our little ones grow into confident, curious, and creative individuals.

Message from Teacher Noeline(Nursery section)

HEAD PREFECT AND TIME KEEPER

SPORTS DAY

INFORMATION AND COMMUNICATION TECHNOLOGY(ICT)

Congratulations to Our Sports Day Winners! We would like to extend our warmest congratulations to all the winners of our recent Sports Day event.

ICT refers to the use of technology to manage, process, and communicate information. This subject was introduced this year.

WE KNOW WHAT CHILDREN WANT!

You want to have fun as you learn.

You want to have teachers that help you thrive and succeed.

You ask for swimming, art, crafts and computer lessons.

You want lots of exciting books and games to enjoy at school.

WE KNOW WHAT PARENTS WANT!

You want a safe environment for your children to grow and develop.

You want your child to love and enjoy school.

You want the right care and education for your little one.

You want your child to be nurtured for a better generation.
